What do you need to move on in life?

- Better Skills?
- New Qualifications?
- Greater Self-belief?
- More Motivation?

If you are aged 16 to 25 and are not in employment, education or training, the Prince's Trust Team Programme could be just what you need!

On 'Team', you'll take part in a variety of individual and team challenges that help benefit the local community and give you the skills and confidence you need to get you where you want to be.

You'll also gain a range of qualifications from Personal Development to Health and Safety...

As part of completing the course, you'll gather a portfolio of evidence that will help you stand out in job or college interviews.

You will be fully supported throughout the programme by a trained team leader, a development worker and volunteers.
